

In response to the challenges and difficulties amid Corona Virus Disease 2019 (COVID19) pandemic, the Publication Office proposed two projects to continuously embolden the clients to engage in learning during the Enhanced Community Quarantine (ECQ). The said projects will serve as the Unit's online activities are set to be launched through its social media account. These projects are titled, Question and Answer and BINGO (Author Edition). The Question and Answer project encourages students to widen their knowledge on thesis, research,

The PNU PO will continue to think of ways to serve its clients even at home with the commitment to be in one with the latter during this ECQ.
